

WELCOME STUDENTS

Several thousand students will be moving into residences located around Lester and Spruce Streets over the Labour Day long weekend. To make the transition as smooth as possible for both incoming students and residents, traffic will be redirected temporarily on Lester and Spruce streets. Our goal, during this busy time, is to keep vehicles moving by easing congestion in the affected and surrounding areas.

Traffic on **Lester and Spruce streets** will be redirected from **7 a.m. to 6 p.m.** on the following dates:

- Sunday, Sept. 1
- Monday, Sept. 2

Additional police and bylaw officers will patrol these areas on these dates to help keep the traffic flowing smoothly. As well, signs will be posted along the streets to guide people along.

Lester Street (Sept. 1, 2)

- Lester Street will be one way, Northbound traffic only, from Seagram Drive to Columbia Street West
- No access to Lester Street (south) from University Avenue West
- No access to Lester Street (north) from Columbia Street West
- No left turns onto Columbia Street West from Lester Street (north)
- No left turns onto University Avenue West from Lester Street (south)
- No through traffic from Lester Street (south) across University Avenue West

Spruce Street (Sept. 1 only)

- Spruce Street will be one way from Hickory Street West to Columbia Street West
- No access to Spruce Street from Columbia Street West

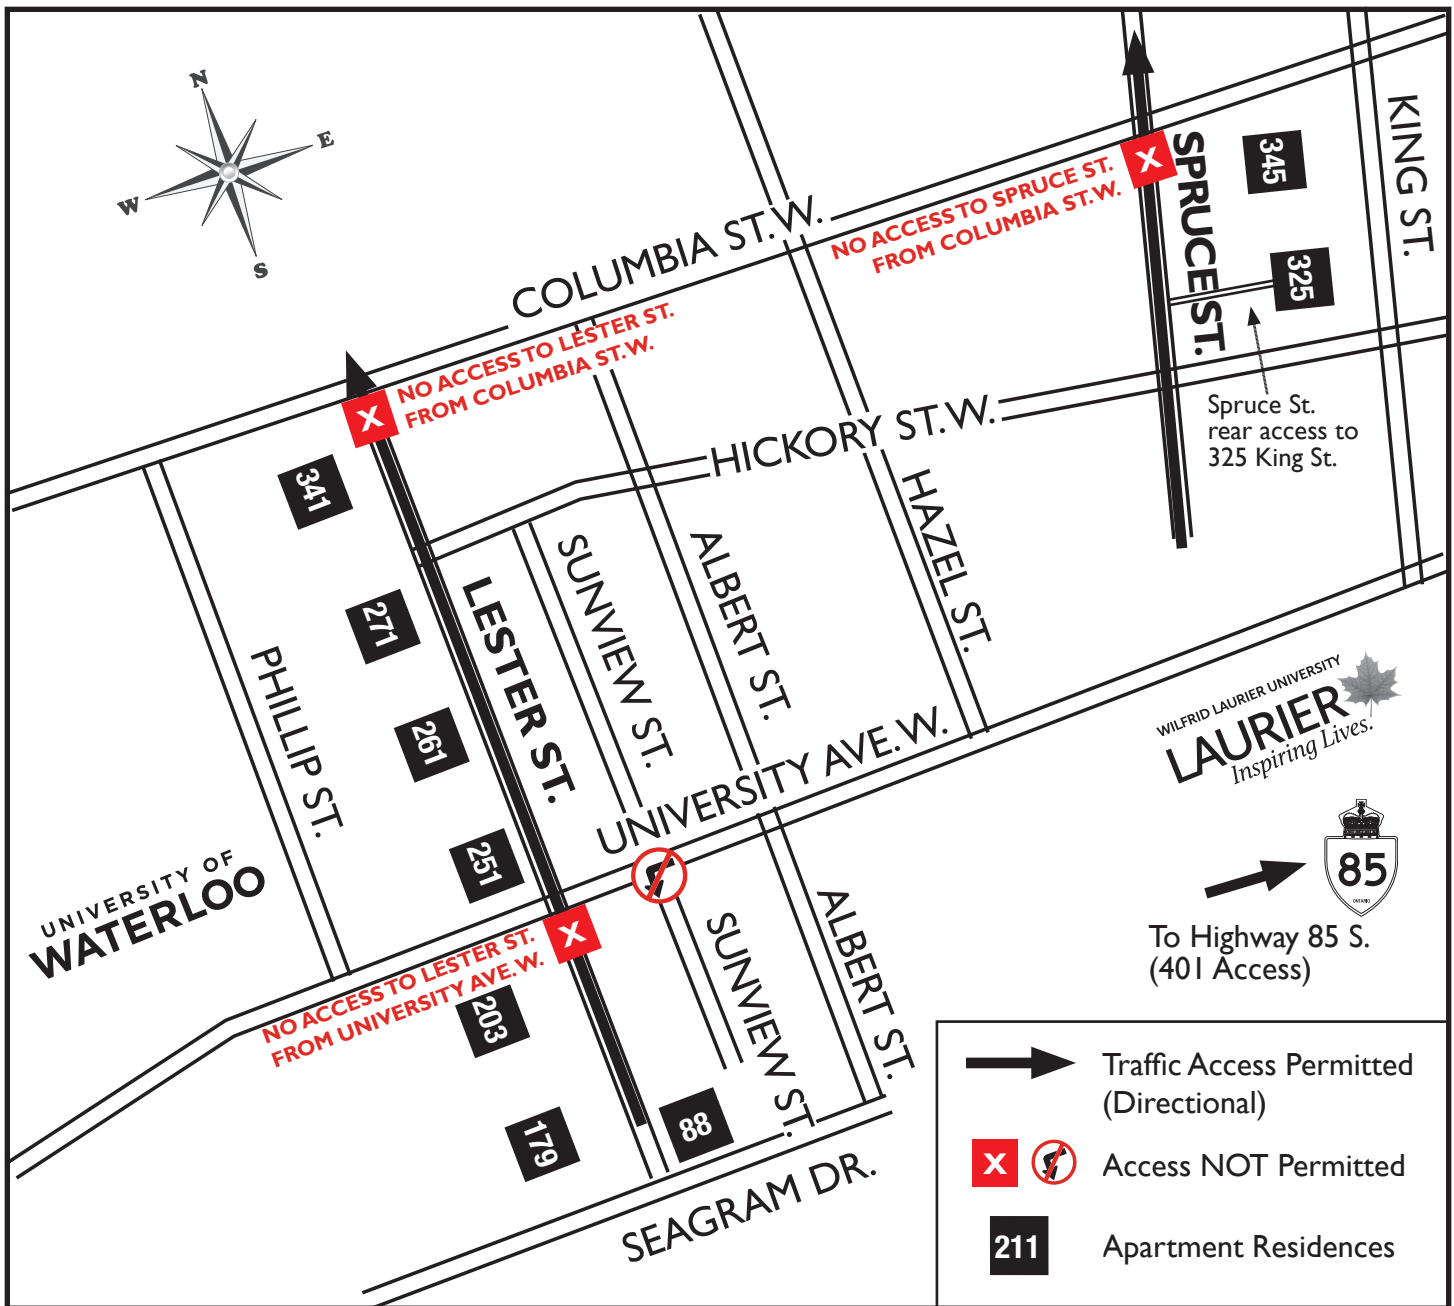

Sunview Street (Sept. 1, 2)

- No left turns from University Avenue West to Sunview Street

Please see the enclosed map for a detailed picture of the planned changes for the Labour Day weekend.

The City of Waterloo thanks the public in advance for its patience and cooperation during this busy time.

If you have any questions about these temporary traffic redirections, please contact the Municipal Enforcement office at 519-747-8785 or bylaw@waterloo.ca.
